GOVERNMENT ADOPTS POLICY OF ISOLATION TOWARD MEXICO

The Chief Points in President's Policy and in Gamboa's Reply

These are the salient points of the United States policy in Mexico as announced by President Wilson:

Under no circumstances to be "the partisans to either party to the contest that now distracts Mexico, or constitute ourselves the virtual umpire between

To observe the strictest neutrality. To urge earnestly all Americans to leave Mexico at once, and to assist them to get away in every way possible.

To warn every one who assumes to exercise authority in Mexico that this Government will watch the fortunes of Americans who cannot get away and hold those responsible for their sufferings and losses to a definite reckoning.

That the door is not closed against the resumption of effort to bring order out of the confusion by friendly cooperative action.

Senor Gamboa in his reply rejecting all the American proposals suggested the following alternative policy for the United States:

That the United States receive a Mexican Ambassador at Washington. That an American Ambassador be sent at once to Mexico city without
